

Did you know?

Read these interesting facts about winter with a parent, carer or teacher.

There are four seasons. They are spring, summer, autumn and winter.

Winter is one of the seasons. In winter, the days are short and the nights are long.

The weather can be very cold in winter and water in puddles and ponds can freeze into ice.

Sometimes it snows in winter.

Lots of trees have no leaves in winter and not many plants can grow.

Some places are cold and snowy all year round like the Arctic and the Antarctic.
