

Year 1 Homework

Week ending 6/6/25

Dear Parents and Carers,

Welcome back to what is the last half term before the children are moving up into Year 2! In English, we have started our new text called 'The Last Wolf' by Mini Grey. The children have enjoyed the book so far and have learned lots of new vocabulary within the book, such as; stalking, lurked, slithered and pounced to name a few. I have encouraged the children to use the suffix -ing to add to root words. Such as, stalking, searching and listening.

In Maths, the children have been learning about numbers to 100. They identified missing numbers on number lines within 100; identified one more and one less of a number within 100; compared numbers with the same number of 'tens'; and compare any two numbers within 100. Additionally, they have been practising lots of counting forwards and backwards from any number between 0 and 100. The focus of this learning is understanding the value of each digit within a number within 100. As a challenge, children have solved many tricky challenges and developed their problem-solving skills.

Thank you for your support,

Mrs Astbury

ACTIVITIES

Reading – Read your Big Cat Little Wandle book or your own Reading for Pleasure book.

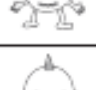

Maths – Chat Challenge! Practise counting forwards and backwards within 100 with somebody at home. You could use a ball or pair of socks as you count each number taking it in turns. **See 100 square activities.**

English – Play the phonics game Picnic on Pluto. Visit the website below using a laptop, computer or tablet. You will need to sound and blend the word and choose if it is a real word or a nonsense word. Select a game from any of the phases to play.
Please select from phase 5.
