PSHE Lesson Structure

1. Long Term Memory (Retrieval)

Review and revisit previous knowledge-make links to knowledge from previous lesson, unit, term, year.

Amend future planning to incorporate and gaps in knowledge.

CALM ME: In Jigsaw sessions children take part in calming and mindfulness activities.

2. Introduce new knowledge

Teacher introduces vocabulary and new knowledge in small steps to the children making links to prior learning.

Teachers will provide modelling, explanations and practice to the children.

3. Developing the Knowledge

Teachers will use circle time approach and the Jigsaw character will be passed around so that children can share their thoughts, feelings and ideas about the topic for discussion.

4. Applying the Knowledge

New knowledge is sometimes deepened by applying knowledge to complete practice tasks.
Tasks are carefully planned to ensure that they are purposeful and support the application of

5. Review-has learning been successful?

Teachers and children will review the learning that has taken place. Floor books capture the learning when appropriate and children can revisit
