

# Evidencing the impact of the Primary PE and sport premium

Website Reporting Tool

Academic year 2021-22

# Commissioned by

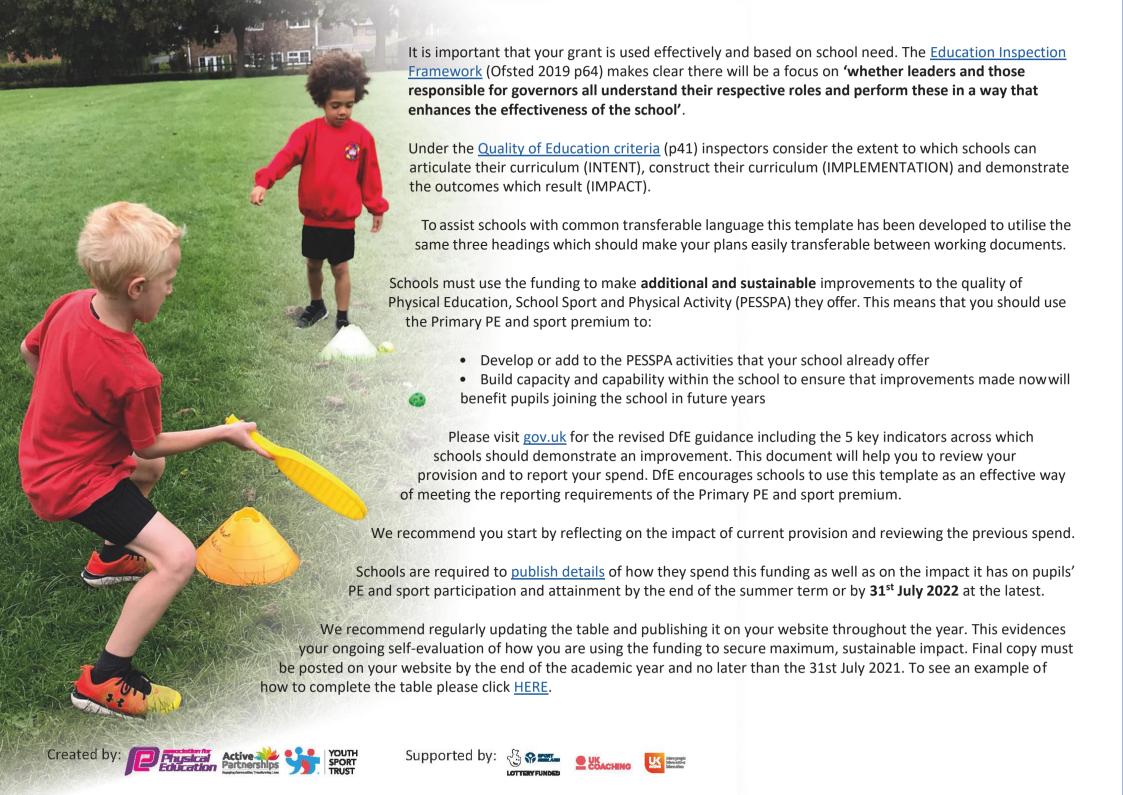

Department for Education

**Created by** 

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Please note: Although there has been considerable disruption in 2020-21 it is important that you publish details on your website of how you spend the funding - this is a legal requirement.

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improvement.

Key achievements to date until July 2021:	Areas for further improvement and baseline evidence of need:
All teaching staff deliver high quality PE sessions at BHHIS.	Continue to provide children with active play and lunchtimes and develop the role of Playground buddy.
We have a Sports Coach employed in school that provides active and engaging playtime and lunchtime activities.	To purchase and implement a new PE scheme of work which is progressive from F1-Yr2 and allows children to develop their physical skills.
BHHIS offers a range of extra-curricular sports clubs.	Provide further training for staff to develop their expertise of teaching EYFS PE and National Curriculum PE.  Through the curriculum promote positive sporting role models who represent the different communities in modern Britain from the present and past.  Offer a wider range of sporting activities to the children in within the school curriculum such as archery, yoga, dodge ball.  Increase opportunities for children at BHHIS to participate in competitive sporting events.

### **Details with regard to funding**

Total amount carried over from 2020/21	£2,384.94
Total amount allocated for 2021/22	£17,010
Total amount of funding for 2021/22. To be spent and reported on by 31st July 2022.	£19,394.94

## **Swimming Data**

	Not applicable as we are an Infant School
N.B Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?  N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.	Not applicable as we are an Infant School
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	Not applicable as we are an Infant School
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	Not applicable as we are an Infant School
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes/ <mark>No</mark>

### **Action Plan and Budget Tracking**

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2021/22	Date Updated: January 2022		
	all pupils in regular physical activity – Chief I		Spend
primary school pupils undertake at l	east 30 minutes of physical activity a day in s	chool	Total spend for this key indicator: £8,980
Intent	Implementation	Impact	
To continue to provide active play and lunchtimes.	School sports coach to arrange a range of activities for children to participate in for example football, tennis, hockey, obstacle courses etc. Wheelie Wednesdays to be continued with children being able to ride wheeled toys a part of play provision.  Sports coach to identify any children or groups (girls, SEN, disadvantaged) not engaging in the provision set out.	Children will engage in a range of physical activities arranged by the school sports coach. Pupils will be engaged in a broad range of sports and activities. The sports coach will measure impact by recording the numbers accessing active play over a sample week.	Sports coach £7,980

Key indicator 3: Increased confidence	e, knowledge and skills of all staff in teaching PE and	sport	Total spend for this key
			indicator: £3,800
Intent	Implementation	Impact	
Staff CPD to improve the quality of PE lessons across the school to ensure that staff are competent and confident.	PE specialist to work alongside school staff to develop pedagogy in PE.  Each member of staff to receive support for at least half a term.  Joint observations with PE subject leader and PE specialist teacher.  PE Subject leader to monitor and provide support as appropriate in order to ensure progress an achievement are maintained by all pupils.	Improve quality of teaching. Staff will be delivering high quality PE lessons to the children. Physical skills will be progressive from F1-Yr2.  Staff will feed back to subject leader about whether they feel staff CPD has had an impact on their ability to lead high quality PE sessions with their children.	£3,800
Key indicator 4: Broader experience o	f a range of sports and activities offered to all pupils		Total spend for this key indicator: £1,400
Intent	Implementation	Impact	
To promote children understanding of healthy lifestyles and physical fitness.	Healthy Body, Healthy Mind week in June to promote children understanding of the benefits of physical activity and eating healthy food. Hold annual sports event to encourage competition.	Children from an early age are beginning to understand the benefits of physical activity to the physical and mental health.  Each class will be asked to feedback on the things they are going to do to improve their own health e.g. eat healthy meals, try a new sport, walk to school.	

Offer children a wider range of sporting opportunities in school and after school for example archery, yoga, dance, mini-golf etc	Offer Sport days where children experience new sporting activities.	Children will experience a broad range of sporting activities at school and in extra-curricular provision.  British Values: Children will be asked to vote for the activities they most want to try to develop ideas around democracy and choice.	£400
	Children will be physically active at playtime and equipment will promote physical activity.	Children will experience a broad range of sporting activities at school and in extra-curricular provision.  As part of our risk assessment, damaged and worn equipment will be identified and replaced.	£1000

Key indicator 5: Increased participation	on in competitive sport			Percentage of total allocation:
				%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
We want our children to know how to take part in a range of sporting activities safely.  We want them to experience the range of movement they can achieve and develop their strength, fitness and agility.  We want them to experience the satisfaction and enjoyment of achieving a personal best and improving in a new skill.  We want them to appreciate how crucial being active is for our mental health and wellbeing.  We want them to know how being physically active, eating healthily and looking after your mental health are crucial for your all round health and wellbeing.	Teaching staff will deliver high quality PE sessions. We will have high expectations of all our children in PE lessons.  A specialist PE trainer will disseminate good practice through demonstration and modelling.  A dedicated Sports Coach will provide active and engaging playtime and lunchtime activities.  Children who need support to develop their physical skills will take part in 1:1 or small group targeted sessions in school.  We will offer a wide range of extra-curricular sports clubs.		A higher number of our children will reach ARE or GLD and this will be measured against their baseline.  Children will be asked to comment on what they feel they have improved at?	
	We will promote active lifestyles through our curriculum e.g. cross curricular links.  We will dedicate a week to developing our children's understanding of the benefits of			

physical activity and a holifestyle in our "Healthy Healthy Mind week".
